So you had to do it, didn't you? You went out and bought the most insane wrestling video game of all time, ***ECW: Anarchy Rulz***, and now every aspect of your life has been thrown into chaotic disarray! This game is EXTREME! With all new matches, weapons, extreme combatants and a totally new control system, anything goes! At least you had the common sense to get this ***ECW: Anarchy Rulz*** **Pocket Guide**! You'll have all the moves right here at your disposal! So maybe you won't get your butt kicked after all! Well, on second thought…

Anarchy is running wild in the wrestling ring and all the prayers, training and vitamins in the world amount to exactly jack squat. You hold the only chance to survive and restore order to the world in YOUR hands. Read it. Learn it. Live it. The ***ECW: Anarchy Rulz*** **Pocket Guide**. It's your only chance!

All of the proper button combinations have been laid out for you in plain English. Some moves have more than one possible combination, ie. Left OR Right, Kick, so pay attention! There are also three different damage levels for the moves you pull off, Low, Medium and High. Finally, each insane wrestler has two special moves, a **FINISHER** and a **TRADEMARK**. These moves are specific to each combatant and will cause big time damage. Take special note of these moves!
